

To meet your immediate mandrel needs, Medical Component Specialists introduces Quick Ship Mandrels. With this program, we are now stocking a variety of French Sized Catheter Forming Mandrels as well as many other sizes for quick shipping.

## French Sizes

### French Size PTFE Solid Catheter Mandrels

French sized 304SS PTFE-Coated, solid catheter forming mandrels from 3 to 32 French (73" length).

Choose from a variety of sizes in pre-packaged quantities. If needed, we can custom cut, provide end rounding services and offer chemical certifications. Please specify requirements in the notes when requesting a quote.
