

To meet your immediate mandrel needs, Medical Component Specialists introduces Quick Ship Mandrels. With this program, we are now stocking a variety of French Sized Catheter Forming Mandrels as well as many other sizes for quick shipping.

Other Sizes

PTFE Solid Catheter Mandrels

304SS PTFE solid catheter forming mandrels from 0.007" to 0.125" (73" length).

Choose from a variety of sizes in pre-packaged quantities. If needed, we can custom cut, provide end rounding services and offer chemical certifications. Please specify requirements in the notes when requesting a quote.
